

Miracle of Life

At the Hugh Chatham Memorial Hospital Birthplace, we're privileged to celebrate the miracle of life each and every day, always with a welcome of tender, loving care. We would like to celebrate your loved one by adding his or her name to our **Garden of Miracles**, a beautiful painting located in The Birthplace. When you contribute \$100 to the **Hugh Chatham Memorial Hospital Foundation**, your baby's name and date of birth will be artfully painted among the mural's cascade of flowers.
