

Highlights of the 2010

19th Annual Hugh Chatham Golf Classic

The 19th annual Hugh Chatham Memorial Hospital Foundation Golf Classic was held August 26th at Cedarbrook Country Club in Elkin. Benefiting the Foundation's Sharing the Vision campaign for a new and expanded hospital, this year's event raised more than \$42,000.

According to Human Resources Director Jeff Seaford, who served as the Tournament Chairman, the event was a great success. "Our prosperity is accomplished through our many dedicated golfers, volunteers and donors with the backing of our Hospital's Board of Trustees and Foundation Board of Directors. Their support is essential to the success of the tournament," Seaford noted.

Foundation Vice Chairman Elizabeth Callaway spoke at the awards dinner saying, "our golf classic is so vital to our fundraising campaign. The tournament not only provides needed financial support for our campaign but also brings many visitors here from outside our community. It is a chance to introduce our guests to our great Hospital and community." Tournament Chairman Jeff Seaford added, "we truly appreciate the many volunteers who make this tournament one of the most successful in our region. Special thanks goes to Cedarbrook Country Club's excellent staff for their work in ensuring an exquisite groomed golf course and accommodating club house."
