

6th Annual Wine Auction

HCMH Foundation and Yadkin Valley Chamber Host 6th Annual Yadkin Valley Wine Auction

The Yadkin Valley Chamber of Commerce again sponsored the annual Yadkin Valley Wine Auction held to benefit Hugh Chatham Memorial Hospital Foundation. This year the event raised over \$42,000, an increase of \$1,800 over last year's number. The auction featured a draw down trip-for-two which was won by a local realtor, Martha Swindell. Set on the eve of the Yadkin Valley Wine Festival, the auction was held on Friday, May 16th, at the newly refurbished Holiday Inn Grand Ballroom.

The Chamber's distinguished Rebel Good Award was given to Derrill Rice, owner of Grassy Creek Vineyard and Winery. Established in 2003, this award is presented at the auction annually to someone who has 'worked to advance viticulture in the Yadkin Valley Wine Region.' *(top photo)*

Recognition was also given to auctioneer and local restaurateur John R. Hall for his years of service to the Yadkin Valley Wine Auction. Mr. Hall has served as auctioneer for this event since its inception in 2002. In the future, Mr. Hall will have the honor of opening and closing the live auction by announcing the first and final lots. *(bottom right photo)*

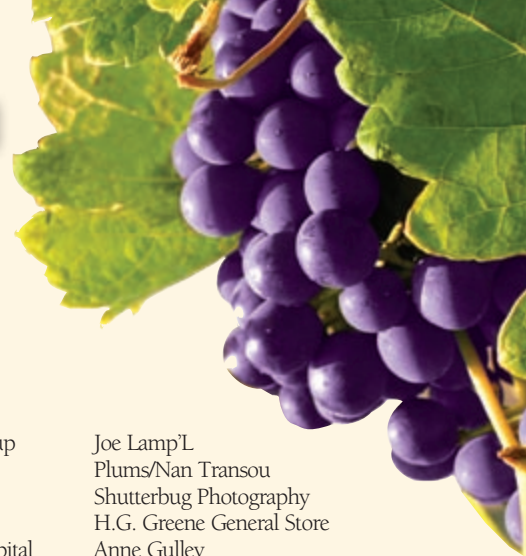

Wines from more than thirty regional vineyards and wineries were available for tasting and for auctioning at the event. Among other items donated were rare wines, trips, jewelry, original art, furniture, clothing, fine dining, decorator items and many other extraordinary gifts. The menu for the evening featured beef tenderloin, shrimp, scallops, seasonal fresh fruits and vegetables and various gourmet cheese selections, highlighted by fabulous homemade pastries.

Among our community's finest black tie affairs, the auction is a great opportunity to join in the excitement and contribute to the advancement of our community's health care. This year's auction benefitted the Foundation's 2008 campaign project to expand and upgrade the hospital's laboratory. The goal is to ensure that Hugh Chatham remains in the forefront of health care by adding space and technology and by helping keep our patients in close proximity to their homes.

For information about next year's auction, contact the Foundation office at (336) 527-7094 or log onto the hospital's website at www.hughchatham.org/foundation/specialevents.
