About Tri-County Orthopedic & Sports Medicine

At Tri-County Orthopedic & Sports Medicine, our board certified providers have experience in accurately assessing your pain, determining its cause, and developing treatment plans that are right for you. From physical therapy to advanced minimally invasive surgical techniques, we can get you back to enjoying a full, active lifestyle.

We offer same-day/next-day appointments at three convenient locations in the Yadkin Valley, specializing in both surgical and nonsurgical methods to treat conditions such as:

- Hip, knee, shoulder and elbow pain
- Sports injuries in adolescents and adults
- Degenerative diseases
- Musculoskeletal trauma

Appointments

Appointments are available Monday through Friday at one of our convenient locations in Elkin, Sparta or Mount Airy. When you call, please let us know the location you would prefer to visit.

Specializing in

- Sports Medicine
- Orthopedic Surgery
- Joint Replacements
- Hand/wrist surgery
- Shoulder Arthroscopy
- Accu-Spina Decompression System
- Osteoporosis Prevention and Treatment

Hospital Care

Patients are cared for by a collaborative, specialized team, including your Tri-County physician, a Hospitalist, and other key team members. Upon discharge, all patients are returned to their primary care physicians.

Tri-County providers care for patients at both Hugh Chatham Memorial Hospital and Alleghany Health.

Attention Athletes

If you are injured in-season, call us and we will be sure to get you seen within 24 hours. If the injury is serious, seek immediate medical attention at the Hugh Chatham Memorial Hospital Emergency Department or Hugh Chatham Urgent Care.
